<b>Date of Parish Council Meeting</b>	Wednesday 16 January 2019
<b>Agenda Item Number</b>	<i>Item number 12 (ii)</i>
<b>Author</b>	Theresa Goss
<b>Title of Report</b>	Section 106 Funds – Proposed projects at Bloxham Recreation Ground.
<b>Summary</b>	To discuss the proposed projects at Bloxham Recreation Ground, following a meeting with the Trustees on 4 January 2019.
<b>Recommendation</b>	To note the report.
<b>Reasons for the Recommendation</b>	Quotes and further details are yet to be submitted to the Parish Council.
<b>Impact on Budget</b>	None, as the project will be funded by Section 106 funds held by Cherwell District Council.
<b>Risks</b>	None at this stage.
<b>Background</b>	<p>Previously, a project using Section 106 funds at the Recreation Ground to address drainage issues, was not pursued because the works would have been too expensive.</p> <p>Since that time, the Trustees have been considering other projects and on Friday 4 January 2019, the Chairman, Vice-Chairman and Clerk had a site meeting with David Tyrrell &amp; Robert Aplin (both Recreation Ground Trustees). The Trustees are now costing out a project to re-roof the pavilion building and improve the changing and toilet facilities.</p> <p>Once the quotes for this work have been obtained, they will be submitted to the Parish Council and then discussions with Cherwell District Council about the use of Section 106 funds can commence.</p>
<b>Supporting documents; advice, reports etc should always be attached to the report and listed here</b>	None
