Questions Received in Advance:

- 1. I am concerned regarding pedestrian safety opposite the primary school along Tadmerton Road. There is no pedestrian crossing from the new car park or the Woodlands housing estate to the school and 'near misses' can be observed on any day of the week at school drop off and collection times. How can we begin the process of establishing a crossing here?*
- 2. I would like to thank Bloxham Parish Council for the support given to Great Big Green Week last year. In the light of the fact that the Parish Council declared a Climate Emergency in 2020, what progress has been made since then towards making Bloxham a more sustainable village, and what plans are being made for the coming year for greater sustainability.*

**4. Priorities for Bloxham and the new Parish Council 2022-2026**

*Residents will be invited to participate in a short workshop to identify the meeting's priorities for Bloxham to help guide the incoming 2022-2026 Parish Council's work plan.*

*Residents will hear more about what the Parish Council does and how they can become involved in its work to ensure Bloxham is a great place to live work and visit, what a Parish Councillor does and the timescales for nominating themselves in the May 2022 local elections.*
