Title of Report	Walsingham Close
Summary	Tree work being done this week
Recommendation	Once the tree work is done, we need to get a landscape gardener to provide us some ideas of what to do
Reasons for the Recommendation	We need to do something.
Impact on Budget	There is budget to do some work on the area so it will be within that cost
Risks	None
Background	This amenity area has been unkempt and the ground is frequently muddy. The idea is to perhaps put some non-grass base down with beds of growing things. Any proposal will be discussed with the residents if they wish
