7. Understanding the organisation, needs and objectives	The annual audit plan shows how audit work will provide assurance in relation to the PC's annual governance statement. Accounts are held on the computer and are backed up regularly.	Yes
8. Being seen as a catalyst for change	Obtaining new quotes for large projects has resulted in good value for the Parish Council and rules around this are specified in the PC's Financial Regulations. However, experience also pointed to the need for balancing loyalty and good relationships locally with financial considerations on smaller jobs.	Yes
9. Be forward looking	When identifying risks and updating reviews, changes advised by national bodies are incorporated.	Yes
10. Be challenging	In drawing attention to risks and to new possibilities, the PC responds in ways that are appropriate and proportional to the size and budget of a small Parish Council.	Yes
11. Ensure the right resources are available	Finance for internal audit is included under 'administration' when setting the Precept. The internal auditor has worked for the Audit Commission and fully understands the Parish Council and the legal and corporate framework in which it operates. Access to all the latest Guidelines is available via the appropriate websites.	Yes
