UTILITY FAILURE

A guide to extra care priority services by utility companies

**OXFORDSHIRE
COUNTY COUNCIL**

What is the Priority Service?

You can't always predict when an emergency situation may cause a disruption to your utility provision. If you register for the priority service register with your local supplier, they will do their utmost to prevent your supply from going off and, if it does, make sure that your service returns as a matter of urgency, providing additional support if necessary in the meantime.

Depending on your provider, extra assistance **may** include:

- Hot drinks and food
- Charging points
- Generators
- Delivery of bottled water to your home
- Temporary heating and cooking appliances

Are You Eligible?

If you receive a state pension, are disabled or have a child under the age of 5, then you may benefit from joining the utility priority care registers.

If you rely on one or more of the following, you will also be eligible to join:

- Home dialysis machine
- Oxygen concentrator
- Artificial ventilator
- Stair lift
- Adjustable bed

If you are eligible and would like to register for the priority service, contact your provider(s) using the following contact details.

Water Companies

Thames Water

Phone: 0845 641 0068

Text phone: 0845 7200 899

Online: www.thameswater.co.uk/help-and-advice/555
